Annwyl / Dear Mr Rigby

**Town and Country Planning Act 1990**  
**The Developments of National Significance (Wales) Regulations 2016**  
**Application by: Egnedol Wales Ltd**  
**Site: Land at Blackbridge and Waterston, Near Milford Haven, Pembrokeshire**

In a letter to the applicant dated 04 April 2017 you advised that Natural Resources Wales (NRW) and Pembrokeshire County Council needed to agree the scope of further work required as part of the above Development of National Significance (DNS).

We have therefore compiled a list of additional matters that should be considered under the Habitats Directive. Please note this information is in addition to advice provided in respect of the Environmental Statement (ES) dated 01 February 2017 and subsequent hearing statement submitted 14 March 2017.

The list was presented to Egnedol on 26 April 2017 and further discussed with them in a meeting on 27 April 2017. I am pleased to confirm that an agreement was reached on the required scope of this work and we will continue to liaise throughout the process.

For your information Egnedol confirmed that the additional submission would include amendments and addendum to the ES, a re-draft of the Habitats Regulations Assessment (HRA) document, and amended/updated plans.

In terms of process, please could you advise if on submission of the supplementary Environmental Information and HRA to PINS by the applicant (deadline 30 September), would NRW then be given the opportunity to provide additional comments?

If you have any other queries please get back to me.

Yn ddifuant / Yours sincerely

**Miss Louise Edwards**  
**Uwch Ymgynghorydd Cynllunio Datblygu / Senior Development Planning**
